

Guide to Eligibility and Duration

Minimum Requirements of Eligibility for Academic Clinical Title:

The academic clinical title is granted to those who meet the following conditions:

Clinical Lecturer:

- 1- The candidate should hold a clinical position at his/her institute and should hold a master's degree as a minimum or an equivalent degree in health specialty.
- 2- The candidate should meet the terms of the lecturer position according to the Organizational Regulations of Saudi Universities for Faculty Members and their Counterparts, or has assumed a lecturer position in a recognized university.

Clinical Assistant Professor:

- 1- The candidate should assume a clinical position at his/her institute with a PhD degree or any equivalent degree in health specialty.
- 2- The candidate should meet the terms of the assistant professor position according to the Organizational Regulations of Saudi Universities for Faculty Members and their Counterparts or has assumed an assistant professor position in a recognized university.

Clinical Associate Professor:

- 1- The candidate should hold a clinical position at his/her institute hospital with at least four (4) years of experience after having the PhD degree or any equivalent degree in health specialty.
- 2- The candidate should meet the terms of the associate professor position according to the Organizational Regulations of Saudi Universities for Faculty Members and their Counterparts or has assumed an associate professor position in a recognized university.

Clinical Professor:

- 1- The candidate should hold a clinical position at his/her institute with at least eight (8) years of experience after having the PhD degree or any equivalent degree in health specialty.
- 2- The candidate should meet the terms of the professor position according to the Organizational Regulations of Saudi Universities for Faculty Members and their Counterparts, or has assumed a professor position in a recognized university.

Duration of Academic Clinical Title:

The duration of the academic clinical title is one year and can be renewed for indefinite times, taken into account what is stated in Article (Withdraw of Academic Clinical Title). The academic clinical title holder can keep the title as long as he/she is committed to the provisions of Article (Duties and Responsibilities) and Article (Procedures for Academic Clinical Title Renewals).
