

## Precautionary Measures to Hold Events during Pandemics

### Reception and seating ceremonies

- 1.The number of attendees shall not exceed 50 persons, including invitees and organizers.
- 2.Consider that the venue of the event is well ventilated.
- 3.Providing a two-person inspection team to measure the temperature and provide all means of safety from sterilizers and masks and be at the entrance to the event site.
4. In the event of registration for attendance, electronic registration is sufficient and paper registration is prohibited.
- 5.Adjust the process of entering the invitees and avoid congestion at the entrances.
6. Achieving spatial distancing in the seating arrangement with a distance of at least one and a half meters between every two seats.

### Hospitality Ceremonies

1. Require hospitality providers to wear masks and gloves.
2. Commitment to simple hospitality that does not exceed dates and chocolate. 3. Serve dates and chocolate individually wrapped.
4. Serve coffee with paper cups.
